

**§ 30.8 Time and place for presenting proof of filing citations, and exemption and exclusions legends.**

The following conditions govern the time and place to present proof of filing citations, postdeparture filing citations, AES downtime filing citation, exemption or exclusion legends. The USPPI or the authorized agent is required to deliver the proof of filing citations, postdeparture filing citations, AES downtime filing citation, exemption or exclusion legends required in § 30.4(e) to the exporting carrier. See Appendix D of this part for the properly formatted proof of filing citations, exemption or exclusion legends. Failure of the USPPI or the authorized agent of either the USPPI or FPPI to comply with these requirements constitutes a violation of the regulations in this part and renders such principal party or the authorized agent subject to the penalties provided for in Subpart H of this part.

(a) *Postal exports.* The proof of filing citations, postdeparture filing citations, AES downtime filing citation, and/or exemption and exclusions legends for items being sent by mail, as required in § 30.2, shall be presented to the postmaster with the packages at the time of mailing. The postmaster is required to deliver the proof of filing citations and/or exemption legends prior to export.

(b) *Pipeline exports.* The proof of filing citations or exemption and exclusion legends for items being sent by pipeline shall be presented to the operator of a pipeline no later than four calendar days after the close of the month.

(c) *Exports by other methods of transportation.* For exports sent other than by mail or pipeline, the USPPI or the authorized agent is required to deliver the proof of filing citations, and/or exemption and exclusion legends to the exporting carrier in accord with the time periods set forth in § 30.4(b).

**§ 30.9 Transmitting and correcting Electronic Export Information.**

(a) The USPPI or the authorized filing agent is responsible for electronically transmitting accurate EEI as known at the time of filing in the AES and transmitting any changes to that information as soon as they are known.

Corrections, cancellations, or amendments to that information shall be electronically identified and transmitted to the AES for all required fields as soon as possible. The provisions of this paragraph relating to the reporting of corrections, cancellations, or amendments to EEI, shall not be construed as a relaxation of the requirements of the rules and regulations pertaining to the preparation and filing of EEI. Failure to correct the EEI is a violation of the provisions of this part.

(b) For shipments where the USPPI or the authorized agent has received an error message from AES, the corrections shall take place as required. Fatal error messages are sent to filers when EEI is not accepted in the AES. These errors must be corrected and EEI resubmitted prior to export for shipments filed predeparture and as soon as possible for shipments filed postdeparture but not later than ten calendar days after departure. Failure to respond to fatal error messages or otherwise transmit corrections to the AES constitutes a violation of the regulations in this part and renders such principal party or authorized agent subject to the penalties provided for in Subpart H of this part. For EEI that generates a warning message, the correction shall be made within four (4) calendar days of receipt of the original transmission. For EEI that generates a verify message, the correction, when warranted, shall be made within four calendar days of receipt of the message. A compliance alert indicates that the shipment was not reported in accordance with regulation. The USPPI or the authorized agent is required to review filing practices and take whatever corrective actions are required to conform with export reporting requirements.

**§ 30.10 Retention of export information and the authority to require production of documents.**
